THANK YOU GINGER NOVAC!

- Our incredible treasurer of 2-years, Ginger Novac, will be leaving the AMAAA at the end of this year as her wonderful daughter, Kelcie graduates from our Mt. Lebanon campus.
- Ginger has been one of the hardest-working and dedicated members of our board and has spent countless hours reconciling registration payments, creating and managing the lottery calendar, coordinating referee payments and fees for all games/matches/meets, managing the spirit wear and volunteering at home games -- we will truly miss her!!
- Please reach out and thank Ginger for everything she has done to make AMAA athletics so successful and may God bless Ginger and her beautiful family always!

CONGRATULATIONS TO OUR TRACK & FIELD TEAMS!

- Our track and field teams capped off a great end of their season at the Diocesan Championship meets in May. Over 100 Royals raced, jumped, hurdled and threw over two weekends against 24 other Diocesan teams.
- Both of our Developmental Boys and Girls teams finished in second place! Our JV boys team finished in 9th while our JV Girls team finished in 6th place. Finally, our Varsity boys team finished in 7th place and our Varsity Girls finished in 4th.
- A special congratulations to our 1st place medalists:
 - 2nd Grade: Dylan Smith, Mathew Smith
 - 4th Grade: Jessica Henson, C.J. Morris
 - 8th Grade: Lily Cramer, Makayla O'Neill

Congrats to all of our Track & Field teams and Little Runners on a great season!

CONGRATULATIONS TO OUR SOCCER TEAMS!

- In spite of bad weather delaying practices and games for a number of weeks, the soccer program finished its season on schedule this past Sunday, 6/5/22.
- In addition to the popular Little Kickers, we were able to field one first grade and two second grade competitive teams. These teams were on an experimental basis and will continue in our program.
- The third grade, third/fourth grades, and fourth grade teams while considered as developmental teams, were highly competitive with the teams they played.
- At the competitive level AMA fielded one JV team and 2 varsity teams (8th grade and 7th grade teams). The JV and Varsity 2022 teams played in a higher level division and were unfortunately mismatched most of the season.
 - Varsity 2023 finished 4th in its division and were eliminated in the first round of playoffs.
- Parents are asked to register for fall soccer on the AMA athletics website (avemariaaaa.org) starting July 1st and look out for information for pre-school soccer camp starting the second week of August.
